DOMAIN & HOSTING SERVICES

Years ago, our founders realized that many online service providers lacked the skills and vision needed to provide truly integrated, holistic and flexible online solutions. In addition, these mavericks realized that many businesses were paying far too much money for far too little results. That's why in 2002-2003 YISolutions.com launched [HostingPartner.pk](#) – Reliable Hosting

At HostingPartner, we believe that the key to success is to provide professional services at a well-balanced price.

**BECOME A PART OF OUR COMMUNITY TODAY
AND EXPERIENCE THE DIFFERENCE!**

The aim of [HostingPartner.pk](#) is to, provide an international platform where the **Buyer, Seller & Professionals** meets together

MAIL CHANNELS CLOUD

WORLD BEST EMAIL DELIVERY SERVICE

First Time in Pakistan HostingPartner.pk Introduces
Mail Channel in Cloud Server

MailChannels Cloud is an email relay service that **identifies spammers within your network to improve your email reputation and ensure reliable email delivery for your users.**

With MailChannels Cloud, you can eliminate email delivery problems caused by IP address blacklisting.

You can also automatically shut down compromised end user accounts and scripts to improve your security. Unlike conventional email services, MailChannels Cloud is the only service that accepts 100% of your email, including spam.

The top half of the image features a graphic with three interlocking gears. The left gear has a large 'S', the middle gear has a large 'E', and the right gear has a large 'O'. A blue arrow curves around the top of the gears, and another blue arrow curves around the bottom. A small globe is positioned between the middle and right gears. Below the gears is a bar chart with five bars of varying heights and colors: yellow, orange, red, yellow, and red. The title 'SEARCH ENGINE OPTIMIZATION SERVICES' is centered over the gears in a bold, black, sans-serif font.

SEARCH ENGINE OPTIMIZATION SERVICES

WEBSITES NEED SEARCH ENGINE OPTIMIZATION

Your business website is only effective if it appears in the first few search engine result pages when a potential customer is looking for your products or services. Many business websites fail to perform well in search engines because their pages have not been optimized thoroughly with the right keywords, accurate descriptions, Sample text and properly formatted meta-tags.

WE PROVIDE AFFORDABLE SEO SERVICES

Websites need search engine optimization. Your business website is only effective if it appears in the first few search engine result pages when a potential customer is looking for your products or services. Many business websites fail to perform well in search engines because their pages have not

been optimized thoroughly with the right keywords, accurate descriptions, Sample text and properly formatted meta-tags. We provide affordable SEO services. We know that businesses cannot always afford high expenses, so we keep our prices low. By offering our customers affordable seo services, we provide the means for any business to succeed online. Other SEO Companies charge thousands of dollars to optimize your entire website, but we concentrate on generating traffic and only optimize additional pages if requested. formatted meta-tags.

The background of the advertisement features a collection of umbrellas. One bright yellow umbrella is the central focus, standing out from a group of white umbrellas. The umbrellas are arranged in a way that creates a sense of depth and perspective. The overall design is clean and modern, with a strong emphasis on the color contrast between the yellow and white umbrellas.

WE MAKE THE DIFFERENCE

Unlike our competitors who simply sell you a "service package" and work in the capacity of freelancers, at My-Ads.biz, we become an active member of your company's team. Whether you are the sole proprietor of your small business or a larger corporation, My-Ads.biz becomes an extension of your company **we essentially operate as Your Web or Internet Marketing Department.**
